Savannah Wall Light

Parts List

| | |
|---------------|--------|
| Light Body | 1 pc |
| Light Base | 1 pc |
| Cord Covers | 4 pcs |
| Crystal Drops | 17 pcs |
| Bulbs | 2 pcs |

- * Please make sure that you have all the parts indicated above before you begin assembly of this item.
- * This item should be assembled on a soft surface to prevent scratching the finish during assembly.
- * This item may require periodic tightening.

Assemble Light

1. Hang the Light Body on the wall.
2. Attach and secure cord covers to the Light Base by turning in a clockwise direction.
3. Insert included Bulbs, Type B, maximum 25 watts into the sockets.
4. Carefully unpack the Crystal Drops and hang them through the pin holes on the leaves. See illustration.

NOTES:

Alternatively, this fixture may be hard-wired directly to a wall outlet box. Please contact a licensed electrician to make this connection.

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Do not alter the plug.
